ORDERING INFORMATION

In October 1983 the National Geodetic Survey (NGS) of the National Oceanic and Atmospheric Administration (NOAA) became an exclusive consigned sales agent for the Superintendent of Documents, U.S. Government Printing Office (GPO). Under this joint venture, NGS sells NOAA geodetic publications and those of its predecessor (e.g., the Coast and Geodetic Survey) as well as all published Federal Geodetic Control Committee (FGCC) reports. To keep our service timely and efficient please adhere to the following procedures when placing your order:

Ordering Publications by Mail

To order a publication by mail, furnish the title and series designation. Include your name, complete address, and zip code. Mail orders must be prepaid by check, money order, or Federal Government purchase order, made payable to: National Geodetic Survey.
